### Plans Week End Fixture Sales

One of the progressive businesses of the area is the Coast Plumbing & Heating Co. of 25602 Narbonne Ave., Lomita.

Bob Pavkovich, who has been in the plumbing and heating business in Lomita for four years and is a local man, has just formed a partnership with S. E. Thompson, plumbing contractor with 20-years experience. These two, and their foreman, Fred Affentranger, head up a staff of 15 plumbers, heating and appliance experts.

Coast Plumbing & Heating specializes in new construction, repair work with 24-hour emergency service, and a complete line of RCA bathroom, kitchen and heating fixtures and appliances. They offer bank terms.

Construction and preliminary assembly work is done in the company's yard, located on 256th St.

A special sale will be held by Coast on Friday and Saturday with water heaters and bathroom items offered at slightly over wholesale prices, according to Thompson and Pavkovich.

#### BIG CARRIER

### Rev. Schatz To Continue Lenten Talks

The second in a series of Lenten and pre-Lenten sermons will be delivered Sunday at the Seaside Community (E & R) United Church of Christ, 230th and Ocean Ave., Sunday, at 10:45 a.m.

Rev. William K. Schatz, pastor of the church, will speak on the theme "The Earth Is Yours."

The Women's Guild will conduct a Lenten Quiet Hour at 7:30 p.m. preceding Lenten services to be held on Ash Wednesday.

### Legion District To Meet Locally

Legionnaires from the 19th California District will meet here in the hall of American Legion Post 170, 1109 Border Ave., on Wednesday evening, Feb. 11, it was announced yesterday by Commander J. Rome Gateley of the local post.

A dinner beginning at 6:30 p.m. will open the event and a business meeting conducted by District Commander Fred Pelletier of Redondo Beach is scheduled for 8 p.m. Reservations will be needed for the dinner, Commander Gateley said.

The local commander also announced the appointment of Frank A. Schuk of 21806 Moneta Ave. as publicity chairman for the post. Schuk is a former member of Post 150 in Burbank and has been active in Legion work since 1945.

### Local Scenes Depicted In Art Exhibit

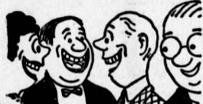

An exhibit of 22 watercolors by Joyce Volz Fairchild is being shown for the month of February at the Manhattan Beach branch of Los Angeles County Library, 425 15th St., Manhattan Beach.

Depicted by the artist are several scenes of Torrance and Redondo's "King Harbor."

Mrs. Fairchild studied at the Art Academy of Fine Arts in Cincinnati, Ohio. She was employed as artist for the Gibson Art Greeting Card Co. in Cincinnati, later free-lancing for the company and venturing into commercial art, producing cartoons and layouts for the Horse-Shoe Magazine.

Co-president of the Torrance Art Group, Mrs. Fairchild recently held a one-man show of oils at the Torrance Arts and Crafts center.

#### The Old Timer

"There still are a lot of wide open spaces in this country. The trouble is most of them are surrounded by teeth."

#### TOTS IN HOSPITAL

Two Torrance youngsters have been admitted as patients at Los Angeles Orthopaedic Hospital.

They are Patricia Boyd, 16, daughter of Mr. and Mrs. Norman Boyd of 513 E. Double Street, and Donna Matthews, 14, daughter of Mr. and Mrs. Donald J. Matthews of 3413 Cricklewood St.

#### PRaise for Pistol Pete

Pete Reiser, who was the National League batting champion in his rookie year, apparently has the helpful knack of being able to pass along hitting tips to his players. Gene Wallace, the new Dodger shortstop hopeful, credits Reiser with the coaching aid which sent his batting average from .236 in 1957 to .291 in 1958.

### GARDENERS CHECKLIST

1. Prune fuchsias if you haven't already. Since fuchsias bloom on new wood, cut them back severely to insure that a high percentage of the bush will be of flowering potential.
2. Also prune grapes and most deciduous fruit trees. To make sure you don't prune the wrong way and so reduce the crop, ask your nurseryman for instruction.
3. This is still the best time for planting most shrubs and trees, whether evergreen or deciduous.
4. Plant perennial vegetables—asparagus, artichoke and rhubarb. The latter two will fit into a border or ornamentals without detracting one bit from it.
5. Clumps of gerbera, the lush Transvaal Daisy, are available now for bloom this spring and summer. Good drainage is an absolute must with these.
